HOW TO BUY

STEP 1

To begin, make sure you have a MetaMask wallet installed on your browser, or use one of the wallets supported by Wallet Connect (we recommend Trust Wallet).

Purchasing on a desktop browser will give you a smoother purchasing experience. For this we recommend MetaMask.

If you are purchasing on mobile, we recommend using Trust Wallet and connecting through the in built browser (just copy <https://heedplay.com> into the Trust Wallet Browser).

HOW TO BUY

STEP 2

Once you have your preferred wallet provider ready, click “Connect Wallet” and select the appropriate option. For mobile wallet apps you will need to select “Wallet Connect”.

You will then have 1 option:

Once you have enough BUSD in your wallet, you can now exchange your BUSD for Pancakeswap. Type in the amount of BUSD you wish to buy (minimum 10 BUSD) and then click "BUY". Your wallet provider will ask you to confirm the transaction and will also show you the cost of gas.

STEP 2

Once you have completed the transaction, you will receive your HPG tokens automatically in your wallet, you must add the smart contract to view the amount
